Ray and I took on the roles of Co-Editors of The Tamerton Times in February, this year. We produced the April – May issue, which was very well received by many villagers, even though there had been a problem with some text not standing out enough from background images. However, this should not be a problem in future.

The New Team Running ‘The Tamerton Times’

Co-Editors: Dr Debby Wallace and Dr Ray Wallace
Secretary: Sharon Ravenscroft
Chairman: Ray Wallace
Distributor: Pam Kite
Treasurer: Sarah Walker

Key Aims: The Tamerton Times is produced and run by volunteers. This is a politically neutral publication, free from control by any religious group or organisation. We will work with the key aim to support the community of North Tamerton. We will do this by providing local information for new and existing residents, as well as providing local business advertising opportunities. Regular features include local news, general interest articles and classified adverts.

Currently, the Tamerton Times is a full colour, bimonthly A5 magazine, delivered door to door, to over 100 households by 8 volunteers. We are currently looking into ways to increase advertisers, which involves producing a pdf version of the magazine.

Any suggestions for article content in keeping with a politically neutral and free publication would be gratefully received.
